

# PERSONAL DEVELOPMENT

## Focus: Student Leadership

### NSFC Academy Service

Our Y12 and Y13 students give back to the school community through academy service. They take on a variety of roles, such as reading mentors, which help to develop their leadership skills.

### Whole school leaders

Our Y11 student leaders have supported the local community, led mental health assemblies, organised our Christmas Jumper Day and are hoping to return in July to support the Y6 welcome days. We are very proud of their achievements.

All students are encouraged to develop their leadership skills daily through tutor time, extra curricular clubs and opportunities in lessons.

### Peer Mentors

2026 has seen the launch of our new peer mentor programme. Peer mentors in years 12 and 9 are supporting younger students. They have been fully trained by the MHST.

Over 100 student ambassadors supported our Y6 Open Evening

### Student Council

Students are democratically elected to form the KS3, Y10, Y11, NSFC and academy councils. Here are some of the areas they have impacted so far this year:

- Menu in Archies
- Tutor programme
- Extra-curricular activities
- Homework

### Student Leaders Y7-10

Student leaders in years 7 to 10 have the following roles:

- Inclusion Leaders
- Student Ambassadors
- IT Technicians
- ARCH Ambassadors - promoting our Christian vision and values
- Peer Mentors
- Mental Health Ambassadors
- Big School Buddies
