Music

Expression of emotions both verbally and written whilst creating compositional pieces individually and within groups. Where words often falter music speaks. (Y7)

Exploring diversity through experiencing various cultural genres through listening and composing musical pieces. Using Music to bring together a range of individuals through a sense of enjoyment. (Y8)

How music can positively contribute towards an individual's mental health and wellbeing. Music expresses that which cannot be said and on which it is impossible to be silent. (Y9)

Music washes away from the soul the dust of everyday life

Extra-Curricular

Christmas concert

Summer concert

Whole school production

Achievement evening

Spirituality relates to fundamental questions about the meaning and purpose of life. It is not dependent on religious beliefs. It includes the universal search for individual and communal identity. Spirituality is an innate human capacity. It is not about becoming more spiritual in a measurable sense. It is about realising or becoming more aware of our natural, innate spirituality. Students do not reach a finished state of spiritual development but participate in the ongoing process of spiritual realisation.
