

# Spirituality in...

Empathy

How do relationships and identity define us?  
(Y7)

Compassion

How do we perceive others and how are we perceived by others? (Y8)

Justice

Diversity

What is the role of the law and morality in societies? (Y9)

Equality

Autonomy

What does literature teach us about a window in time? What is the power of language?  
(GCSE)

Hope

Change

How does language adapt to changes in society? (A Level)

Awe and wonder

# English

*Theatre trips (KS3 and KS4)*

*Book Buzz*

Spirituality relates to fundamental questions about the meaning and purpose of life. It is not dependent on religious beliefs. It includes the universal search for individual and communal identity. Spirituality is an innate human capacity. It is not about becoming more spiritual in a measurable sense. It is about realising or becoming more aware of our natural, innate spirituality. Students do not reach a finished state of spiritual development but participate in the ongoing process of spiritual realisation.
